

EMMO ENTERPRISE LLC

CAPABILITY STATEMENT

Janitorial & Infection-Control Cleaning • Medical Courier • Facility Services

COMPANY OVERVIEW

Emmo Enterprise LLC is a Pennsylvania small business providing safety-led cleaning and time-critical delivery services to government agencies, healthcare providers and commercial facilities. Our work is led by an OSHA 30-Hour trained safety professional with an MSc in Immunology and an MBA, bringing science-based disinfection, documented quality control and strict compliance to every site.

CORE COMPETENCIES

- **Janitorial & Custodial Services:** recurring cleaning of offices, government buildings, schools and public facilities; restroom sanitation; day porter
- **Infection-Control & Medical Cleaning:** clinics, labs and health facilities; high-touch disinfection with EPA-registered products at correct dwell times
- **Floor Care & Post-Construction:** strip and wax, carpet extraction, renovation and turnover cleanup
- **Medical Courier & Local Delivery:** lab specimens, pharmacy, medical supplies and confidential documents; scheduled, STAT and on-call
- **Passenger Vehicle Rental:** late-model vehicles for short-term government and business use

DIFFERENTIATORS

- Safety leadership: owner is a Workplace Health & Safety Specialist with OSHA 30-Hour General Industry and OSHA Recordkeeping training
- Scientific expertise: MSc Immunology and BSc Biology, applied to contamination and cross-contamination control
- Bloodborne Pathogens, HIPAA Privacy and Dangerous Goods Awareness trained
- Documented quality: written SOPs, inspection checklists and photo-verified completion reports
- Responsive, owner-managed service with a single point of contact

SERVICE AREA

Berks, Lancaster, Lehigh, Chester, Montgomery and Dauphin Counties, and the greater Philadelphia region, Pennsylvania.
